

UEA Assessment Literacy

A curriculum designed by educators for educators to increase teaching effectiveness.

Five interactive workshops...take one, or take all five!

- ✓ Data-Driven Instruction
- ✓ Assessment Design
- ✓ Differentiated Assessment
- ✓ Self-Assessment: Rubrics, Goal Setting and Reflection
- ✓ Effective Student Feedback

Contact your UniServ office for workshop dates and times.

All workshops are presented locally by trained UniServ facilitators.

If you want to expand your understanding of assessment literacy even more, take the UEA Assessment Literacy for the Classroom course offered through Weber State University.
